MECHANICAL REQUIREMENTS

Ad Format: Provide ads in Press Quality PDF format only with all fonts embedded. *Arthur Hardy's Mardi Gras Guide* is web-printed in four-color process at a line screen of 133 DPI. Photos and artwork must be in CMYK and have a resolution of no less than 300 DPI for sharp reproduction.
Dimensions: Check your ad dimensions carefully using the Size/Dimensions table above. **It is often incorrectly assumed that the *Mardi Gras Guide* is letter size. It is not, and full page ads created on a letter size document will not fit.** Keep type boundaries at least 1/4" from page trim.
Computer Disks: Ads may be submitted by email or on CD. Provide a laser or inkjet proof with your disk. Ads 10mg or less in size can be sent by email to davidart50@gmail.com. Arthur Hardy Enterprises is not responsible for errors on advertiser-supplied files.
